

Service Project Letter

Dear Parent or Caregiver,

Today we talked about sharing with others. We decorated a sharing box in preparation for contributions over the next two weeks. We would like to collect gently used towels, Tinspoons, Nelson's Women's & children's underwear, Deodorant, Shampoo, conditioner to share with

Nelson House - a shelter for abused women and children.
agency or people who will receive these gifts

 Located in Nepean

Sharing with others is difficult for both grown-ups and children. Help

your child understand the need by saying something like, "Children who don't have money for toys need to have fun." Or, "People who don't have clothes need to stay warm." Invite your child to

participate in the decision about the specific item that is chosen for the group collection.

Let your child know that you understand sharing is difficult.

A statement like, "I know that it can be hard to share and I'm so proud of you," will go a long way toward helping the child when letting go of a personal item.

Thank you,

St. James Church School
